MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: United States Army Garrison Kaiserslautern (USAGK) Command Policy Letter #11-
Education Neglect

1. Reference: Army Regulation 608-18, Army Family Advocacy Program, 30 October 2007.
2. Purpose: This memorandum is to inform the USAGK military community that educational neglect is a form of child maltreatment and is reportable as such.
3. Education neglect is a type of child neglect that includes knowingly allowing a child to have extended or frequent absences from school, neglecting to enroll the child in some type of home schooling or public/private education, or preventing the child from attending schools for other than justified reasons.
4. Point of contact is the USAGK Army Community Service, Family Advocacy Program at DSN 489-6511.
